What an amazing experience this has been during the month of February. Bless all those angels who have made a big group of 2nd graders so happy by simply reading with them. They love their "CAR Ladies", and especially when they do their "Champions are Readers" chant/dance at the end.

The students are very loving and very needy and truly enjoy every minute of us being there. I especially loved having my leg hugged again!!! And the school is so thankful to have us bring some sunshine into their lives.

Special thanks to Kimberly Bulls and Audrey Pennings for coordinating our CAR Program with Morningside Elementary in Fort Worth.

Alumnae Club T-shirts

SAAC T-shirts are still available for \$20. We will continue to sell them at the last two meetings.

Pi Phi Proud!

Feb 7 Phoodies Meeting Recap

What a blast - lots of great friends, food and fellowship, all in one. Thanks for all the great recipes and samples, thanks to our wonderful songsters, and thanks to Audrey for her recruitment presentation.

The T-shirts are darling and still for sale for \$20. Also, if you have not turned in your membership check yet, it is \$60 to SAAC.

Feb 18 OU Legacy Lunch

The Landers girls were there, enjoying the amazing OU skirts and their "practice" recruitment party. Not sure where Elise will end up but Lara is trying to work some Boomer Sooner magic.
