This is your chance to show off your talents

(or someone else's!)

Not creative? No problem!

You can donate a basket of purchased items, gift cards, or your time & talent. Bring your checkbook and enjoy an evening socializing and trying to outbid everyone!!

We would love for everyone to contribute or to purchase an item (many do both), so we are all supporting our club and philanthropies. If you can't do either, please consider making a donation.
